Global Headquarters

Net Zero Building spread over 48000 sq.m.

60 Years of Excellence

Conceived in 1960, the Jaquar Group has been built on the platform of the highest quality standards, aesthetics and the intent of providing world-class products. It is a rapidly growing multi-diversified 'Complete Bathroom and Lighting Solutions' group.

The Group caters to various segments of bathroom and lighting industry for the luxury, premium, and the value segments through its brands – Artize, Jaquar and Essco. The company has presence in over 60 countries across Europe, Middle East, Asia-Pacific, Africa and the SAARC region, with 7 state-of-the-art manufacturing units in India and 1 in South Korea.

VALUE BRAND

ESSCO by Jaquar Group

- The benchmark for the organised bath industry in India for over 6 decades
- Essco quality products are the results of Jaquar Group's manufacturing strength with 7 state-of-the-art manufacturing units in India & 1 in South Korea spread over 3,30,000sq.m. equipped with modern machines and processes
- Essco pioneered the concept of branded bath fittings in India
- A PAN India brand that stands for true quality, affordable pricing, trusted customer service and a 10-year warranty promise
- Products with functionality and aesthetics
- Supporting affordable and sustainable housing in India
- Rapidly expanded its footprint in tier-II, tier-III & tier IV cities across India
- Opportunity to shift unorganized/non-standard quality segment to standard quality products
- Complete bathroom solutions: Bath Fittings, Sanitaryware, Water Heater and Bathroom Accessories

Inspiring bathrooms by Essco

Planning a bathroom is no more an afterthought. No matter how big or small the space is, everyone desires an inviting bathroom. Today, Essco offers complete bathroom solutions, covering a wide range of design options in bath fittings, sanitaryware, water heaters and bathroom accessories to give you inspiring bathrooms.

State-of-the-art manufacturing

Essco enjoys Jaquar Group's manufacturing strength with 7 state-of-the-art manufacturing units in India & 1 in South Korea, spread over 3,30,000 sq.m. equipped with modern machines and processes. Adhering to global quality certification, Jaquar Group's manufacturing setup is a zero-waste plant recycling 5,00,000 litres of water every day, and 4221 Metric tonnes of brass every year. Its facilities also generate 6.23 MW of solar energy.

- Delivers over 1,25,000 faucets per day, 45 million pieces in a year
- Delivers over 2.4 million bathrooms every year, and produces over 28 million bath fittings annually

FEATURES

Sanitaryware

Coordinated Design

The coordinated design of Essco products are best in class offering for your bathroom. The range does not only complement the design but also the functionality of each product.

Trap Glazing

Essco water closets are made with trap glazing technique. It helps in maintaining the highest degree of hygiene in your bathroom. Trap glazing does not allow dirt and human waste to accumulate on the inner surface of the trap thus making your WC hygienically clean.

Load Bearing Tests

To ensure the safety & strength of each sanitaryware installation, all Essco products go under load bearing test. Essco washbasins are tested for a load bearing capacity of up to 100kgs, while water closets are tested for 400kgs.

Efficient Flushing

Essco sanitaryware are tested to perform under tough Indian conditions. All our flushing mechanisms in European water closets goes under 100 ball test to have efficient flushing every time.

After Sales Service

Essco Bathware is committed to ensuring unmatched customer service by using the trusted customer care support of its parent company Jaquar.

10 Year Warranty

10 years for Essco sanitaryware, 2 years for PP seat cover and 5 years for flushing system.

Cistern

Smooth Operations

The operational capability of the cistern is more than 2 lakh cycles with a water storage capacity of 6 litres. The flushing system is designed to provide trouble free-flushing with a built-in overflow hole.

Unmatched Durability

The body of the cistern is made from high grade polypropylene. This is the most suitable material since it is resistant to stains, chips, scratches and cracks.

Easy Maintenance

Essco cisterns are fully assembled and easy to install. Its best grade virgin plastic is easy to clean and maintain. These flushing systems are offered in single flushing option.

Modern Designs

Essco cistern designs are universal in nature to complement all type of bathrooms, be it Indian or European.

2 years Warranty

Essco cisterns are offered with a warranty of 2 years.

Faucet

Smooth Operations

A consistent lever operation test is conducted for over 2 Lac cycles to check sustainability. We believe in being with you for generations and for that all our products have to last long.

Chrome Plating

All our bathroom and kitchen faucets are manufactured with robust chrome plating to sustain the tough Indian condition of hard water and rough usage. It provides corrosion resistance, eases cleaning procedures, increases surface hardness, and offers a decorative shine.

Optimum Flow and Temperature

We have an integrated honeycomb-structured aerator that creates a mixture of water and air, making the stream fuller, smoother and also provides a lime build-up protection.

After Sales Service

Essco Bathware is committed to ensuring unmatched customer service by using the trusted customer care support of its parent company Jaquar.

10 Year Warranty

Shower

ABS body
For longer life and sustainability.

Rub-it Cleaning
Key quality parameter of Rub-it cleaning system for easy maintenance and enhanced showering experience.

High Performance
Design to sustain and provide good showering experience even at low pressure again a significant aspect of manufacturing excellence.

After Sales Service
Essco Bathware is committed to ensuring unmatched customer service by using the trusted customer care support of its parent company Jaquar.

10 Years Warranty

Water Heater

High Quality Glass Lined Inner Tank

Introducing the new Essco Storage Water Heater range that comes with Glasslined Tank that counters scale, sediment, residue build up on the surface of the water heater tank over time due to hard water. The Glasslined Tank prevents corrosion when it is in contact with warm water. This increases the longevity of the appliance enhancing your bathing experience.

High Density PUF Insulation

CFC free high density Polyurethane insulation keeps the water hot and prevents heat loss for a long time. It reduces energy consumption and provides high energy efficiency.

Incoloy Heating Element

Incoloy Heating Element offers superior heating performance with resistance to carbonization and oxidation at high temperature. It also resists corrosion against hard water resulting in extended life span of the heating element.

Magnesium Anode Rod

The tank has a magnesium anode rod that is designed to protect the tank from corrosive element. It works as a sacrificial anode keeping the tank rust proof and ensures a longer life.

BEE Star Rating
BEE rating assures that it's highly energy efficient.

Multi Function Safety Valve

It prevents malfunction during abnormal conditions like high pressure. There are four functions for the safety valve-pressure release, vacuum release, non-return and draining. The MFSV prevents pressure to increase beyond 8 bar.

Rust-free body

Rust-free ABS body prevents rusting and corrosion of the water heater from outside.

Power Saver

Less electricity consumption because of high density PUF insulation and glass line coating on the inner tank.

High Quality Safety Features

High quality safety features helps in avoiding any operational hazard, ensuring more safety.

Quality at the best price

Essco by Jaquar ensure a good quality product at the best price.
